Energy Delivery Construction Services
P.O. Box 111
Tampa, FL 33601

Date: April 27, 2020

Attn: Maria Baucom

Project Location: Morris Bridge Road over Bassett Creek-Bridge #104101

Project #: 62120.179

Thank you for the notification of the above referenced project. Tampa Electric Company has reviewed the enclosed plans and it has been determined that:

- Tampa Electric Company (TEC) has facilities in the area of your proposed construction that do not appear to be in conflict. Please maintain caution when working near TEC facilities. If TEC facilities are damaged, please call 877-588-1010 immediately. If the proposed construction will require assistance from TEC, please contact TEC One Source Department at 813-635-1500 and allow 21 calendar days for TEC to schedule our work.
- Tampa Electric Company has facilities in the area of your proposed construction, which do appear to be in conflict. Please see the attached as-builts and resubmit updated plans for review.
- Tampa Electric Company has facilities in the area of your proposed construction, which may have potential conflicts. Once we have received preliminary plans, we will then be able to provide you with green line mark-ups for your reference and review.
- Tampa Electric Company does not have facilities in your proposed construction area.

PRIOR TO CONSTRUCTION:

Contact Sunshine811 at least 48hrs in advance by calling 811, 1-800-432-4770, or use of one of their online services.

Thank you for your cooperation.
