

## Collier County Water – Sewer District

### Supplemental Qualifications Requirements

#### NORTH COUNTY WATER RECLAMATION FACILITY NORTH AND SOUTH BLEACH PIPING REPLACEMENT

The Contractor shall demonstrate experience as listed below within the last ten (10) years. The reference projects submitted by the Contractor shall clearly demonstrate experience to meet the below listed qualifications:

1. Mechanical experience on projects of comparable size and complexity completed within a minimum period of ten (10) years demonstrating the ability to conduct the work.
2. List any electrical subcontractor(s) planned for use during this project (no substitutions will be allowed). Contractor and/or electrical subcontractor has regularly engaged in the installation of industrial electrical power systems for a minimum period of ten (10) years. The County reserves its right to request from the Contractor, an acceptable list of installations with similar equipment demonstrating compliance with this requirement.
3. Provide a Florida licensed field superintendent who has had a minimum of ten (10) years previous successful experience on projects of comparable size and complexity. Superintendent shall be present at all times that work under the subsequent Agreement is being installed or affected. A resume of the Superintendent's experience shall be submitted to the County before commencing work.
