

## 98th and 99th Avenue PUR

### CONTRACTOR'S QUALIFICATIONS

The reference projects submitted by the Contractor shall clearly demonstrate experience to meet the qualifications listed below. It is acceptable for the Contractor to submit additional reference projects to supplement the five (5) reference projects required.

1. Provide two (2) reference projects that include the installation of a minimum of 5,000 LF of potable water main (6-inches or larger) and associated water services, **located in a developed neighborhood (not new development construction) in Collier, Lee, Charlotte, Sarasota, or Manatee County**. The Contractor must provide up-to-date contact information.
2. Provide at least two (2) reference projects that include the installation of a minimum of 2,500 LF of stormwater piping (15-inches or larger) and associated structures and swales, **located in a developed neighborhood (not new development construction) in Collier, Lee, Charlotte, Sarasota, or Manatee County**. The Contractor must provide up-to-date contact information.
3. Provide at least one (1) reference project that includes the installation of a minimum of 2,500 LF of sanitary sewer main and associated sewer laterals **located in a developed neighborhood (not new development construction) in Collier, Lee, Charlotte, Sarasota, or Manatee County**. The Contractor must provide up-to-date contact information.

Two (2) projects can meet the three (3) qualifications above. However, five (5) reference projects of similar magnitude completed in the last five (5) years must be provided per *Form 5 – Statement of Experience of Bidders*.
