CHOKOLOSKEE MASTER PUMP STATION REHABILITATION
ITB-25-3

Addendum No. 2

To All Plan Holders:

This addendum sets forth changes and/or additional information as listed below and is hereby made a part of the Specifications and Contract Bid Documents for the above-mentioned project.

The Contract Documents, Specifications and Drawings are hereby amended as follows:

A. CHANGES TO CONTRACT SPECIFICATIONS:

1. **Revise** table of contents to include “Appendix A – Additional Contract Documents”.
2. **Revise** the table in Section 00200 Instructions to Bidder, 1.19 – Responsiveness Requirements. Several forms are no longer required as part of the final Bid submittal and have therefore been struck through. The following bid forms, however, have been added:
 - Attachment B - Certification for Contracts, Grants, Loans and Cooperative Agreements
 - Attachment C - Certification regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion
 - Attachment D - Anti Human Trafficking Affidavit

B. RESPONSE TO BIDDER QUESTIONS:

*Please note that duplicate questions have been omitted, as many of the responses below encompass previously asked or similar inquiries.

1. What is the engineer’s estimate or budget cost for bid bond purposes?
Response: The City will not be providing the engineer’s estimate or budgeted construction cost. This information is being withheld to ensure that all bids are prepared independently and to maintain a fair, competitive bidding environment.
2. Can you please let me know the liquidated damages for this project. Looks like we have 240 days to substantial completion and 30 more days to final completion. The bonding company will need this information.
Response: The liquidated damages for this project are to be based on the total construction cost proposed by each Bidder. Accordingly, Bidders shall use their respective base bid amounts to determine the applicable liquidated damages rate for bonding and proposal purposes.
3. I do not see the following forms in the bid documents for the above subject project: Section 00525 – Criminal Background Check Requirements and Affidavit /// FDEP Supplementary Conditions – MBE/WBE Documentation, Appendix G, Appendix H
Response: Sections 00525 and the FDEP Supplementary Conditions forms are not required for this project. However, please refer to the attachments included in this Addendum for additional forms that must be completed by the Bidder.

Acknowledgment of receipt of this addendum is required as part of the bid package, however, inclusion of a copy of this addendum is not required.
