1. Work shall be performed in accordance with approved plan, Conditions of Permit appearing on reverse side, stipulations specified as part of this permit and in accordance with Collier County Ordinance # 09-19 and the "Public Right-of-Way Construction Standards Handbook," latest edition.	4. If the application is made by any person or firm other than the owner of the property involved, a written consent from the property owner shall be required prior to processing of the application.
2. Applicant declares that prior to filing this application he has ascertained the location of all existing utilities, both aerial and underground. Any changes to any utility shall be the responsibility of the Permittee for all cost.	5. Transportation Services Division approval does not exempt the permittee from gaining approval from any State, Federal or Local Agencies having jurisdiction over the proposed work.
3. If right-of-way permit is issued in conjunction with a building permit, the right-of-way permit expires upon completion of the building.	6. This permit is contingent upon Permittee obtaining necessary rights of entry for construction and maintenance where required right-of-way for public use has not been dedicated and accepted by Collier County.

APPROVED BY: ARH

Condition: As Built Drawings are required prior to final inspection for all Commercial ROW permits

Condition: All other applicable state or federal permits must be obtained before commencement of the development.

Condition: The storm water infrastructure installed in the right of way is the responsibility of the property owner.

Condition: Per the Design Professional Acknowledgement of Submittal, the licensed Engineer has affirmed that submittal of building permit plans are being done at their own risk without the contractor assigned. Upon the assigning of the contractor, the "Acknowledgement Forms" of the building permit application will need to be submitted, as well as a notarized, or signed/sealed letter of no objection from the licensed Engineer for said contractor to take responsibility of the permit.

Please call 239-252-3726 to schedule required 830 inspection FIRST then subsequent inspections listed below.

830 - 72 Hr Notice of (1st) Proceeding with Work

800 - Right-Of-Way Final Inspections

Disclaimer: Issuance of a development permit by a county does not in any way create any rights on the part of the applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the county for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.
