RE: Insubstantial Change No. PL20200001879
Mahogany Bend Force Main Extension (Fiddlers Creek) (SDPI)

Dear Applicant:

This is in response to your submittal of plans showing an Insubstantial Change to SDP 87-13 for installation of approximately 1500 LF of new force main. New Force Main will tie into an existing 16 inch force main in the north r/w of Mahogany Bend Drive which currently pumps into an 18 inch gravity line. New force main will be installed to second tie in point in the south r/w of Championship Drive. Valving will be installed at tie in points providing option of bypassing existing 18 inch gravity main on Mahogany Bend Drive.

This office has reviewed the plans and has no objection to the changes shown unless noted under stipulations.

STIPULATIONS:

- Issuance of a development permit by a county does not in any way create any rights on the part of the applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the county for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law. This permit is conditioned on all other applicable state or federal permits being obtained before commencement of the development.

SIGNAGE RESTRICTIONS:

- Please be advised that any permanent sign (wall, ground, monument, directory, etc.) requires a separate building permit and must meet the provisions of the Collier County Land Development Code, Section 5.06.00, and/or the applicable provisions of the governing Planned Unit Development (PUD) document, regardless of any sign placement, dimensions, or color depicted on the site and/or architectural plans approved by this letter.

Please contact Annis Moxam at (239) 252-5519 to coordinate possible addressing changes.

"Be advised that this project has been reviewed by staff in accordance with the applicant's description of work as identified in the cover letter. The applicant bears full responsibility for identifying all proposed work, and building permits for any work shown changed on the plans but not identified in the cover letter may be rejected pending further staff review."

Sincerely,

Development Review Division
